Practical offices

in a shared office space with canteen

Venlighedsvej 4, building 62, 1st floor, 2970 Hørsholm

We have an ambition to become Denmark's first business area to achieve DGNB Gold certification.

Offices for innovative tech companies

DTU Science Park is one of Europe's most significant deep tech clusters. Here, researchers, entrepreneurs, mentors, and investors are brought together in one place, creating unique opportunities for collaboration and growth.

We offer flexible office spaces that can be expanded as your company grows. Depending on your needs, we can also offer access to workshop facilities.

You get:

- Flexible, practical offices with access to a tea kitchen and meeting room.
- Shared cafeteria with courtyard access and the option for a lunch arrangement.
- Flexible lease with easy up- or downsizing.
- Free parking right outside the door.
- Access to HUB+ with shared electric bikes and electric cars.
- A beautiful natural area with walking and running routes.

Additionally, you have the opportunity to:

- Get a team of independent mentors offering guidance on your challenges.
- Receive invitations to exclusive networking events and social activities.
- Gain access to relevant collaboration partners, including at DTU.
- Become part of a deep-tech community where you can network with like-minded companies.

Location

The property is set in scenic surroundings, only 1 km from the Helsingør Motorway. Excellent parking facilities for both bicycles and cars are available outside the building.

We care for nature

At DTU Science Park, we take great pride in protecting the natural environment when constructing new buildings. This means that nature always comes first. We build around trees whenever possible, and if a tree must be removed, we plant two new ones in return.

DTU Science Park offers a flexible lease with the possibility of scaling up or down as needed. At the same time, you'll experience a unique atmosphere with an ecosystem of like-minded entrepreneurs and access to exciting and relevant programs.

BAVARIAN NORDIC

An aerial photograph showing a dense forest of trees with autumn foliage in shades of green, yellow, and orange. Several modern, multi-story buildings with flat roofs are scattered throughout the wooded area. In the background, a residential neighborhood with red-roofed houses is visible, followed by a large body of water under a clear blue sky. A road with a few cars is visible in the lower-left corner.

2027

DTU Science Park is the first business area in Denmark to achieve a DGNB Gold precertification. Our ambition is to obtain the final DGNB Gold certification in 2027.

Sustainable initiatives in DTU Science Park

DGNB Gold Certification in 2027

In 2026, DTU Science Park in Hørsholm was DGNB Midway certified for business areas. We aim for DTU Science Park in Hørsholm to become Denmark's first business area with DGNB Gold certification. While the final gold certification depends on several factors, we expect to achieve it in 2027.

DGNB is an ambitious and highly regarded certification that assesses over 400 sustainability parameters, including biodiversity, resource cycles, energy optimisation, mobility, and more. We continuously launch initiatives and projects that strengthen the area's sustainability qualities, benefiting both people and the environment.

To succeed, DTU Science Park involves and collaborates with its customers, making a determined effort to inspire sustainability efforts.

Examples of our focus areas

To reach our goal, we have outlined several strategic focus areas, including:

- Mobility solutions, e.g. car-sharing schemes
- Increased biodiversity and variation
- Shared waste management solutions
- Climate adaptation initiatives
- Social and professional interaction between customers

ESG data

Through our ESG report, companies in the park can access insights into DTU Science Park's climate and environmental footprint and use the data in their own reporting, documentation, or dialogue with customers and investors.

A world-class community

We help deep tech companies scale.

Join Denmark's leading deep tech community, share your everyday life with more than 315 other ambitious companies, and gain access to sparring, networking, and professional and social events.

How we support the companies in the park:

- A personal meeting with our Customer Engagement Lead to tailor the value offerings that best fit your company.
- A mentor team with independent advisors.
- Facilitate connections between DTU students and DTU's ecosystem.
- Matchmaking and collaborations with corporate partners.
- Support with fundraising and opportunities to participate in investor pitches.
- Networking and collaboration opportunities with other deep tech companies.
- Invitations to participate in social and professional events/workshops.

➤ *There is a very special spirit in the area. An incredible amount of knowledge and information is exchanged through the strong community in DTU Science Park.*

Anne Schwartz

Vice President for Product Supply Site DK, ALK

We create the space for deep tech companies to grow

The physical facilities

We make sure you have the facilities you need to develop, operate, and grow your business, including:

- A beautiful, green, and well-maintained park just outside your window, ideal for walk & talks
- A staffed reception to welcome your guests
- An inviting and varied lunch scheme
- A cosy coffee bar
- Maintenance of your building
- Free parking spaces with charging stations for electric cars
- Bright, modern meeting rooms with AV equipment

Professional events

We host engaging professional events that support and strengthen your company's development while also providing ample opportunities for networking, meeting investors, and gaining access to expert advice. For example, each year, we organize Funding Bazaar, a unique pitch event in which the roles are reversed: investors and funds each get two minutes to pitch their value proposition to hundreds of startups.

Social events

A strong network is essential for great collaborations. That's why we arrange various social events each year, where you can build relationships while having fun. These include Friday bars, the annual CEOs' Christmas dinner, and cycling tours for life science and biotech enthusiasts working in the park.

Get access to Denmark's leading deep tech mentor program

Accelerate your time to market with DeepTech Mentoring

DeepTech Mentoring is a program where companies in DTU Science Park can receive targeted guidance on their current challenges.

About the program

- You get three experienced mentors.
- The mentor run lasts six months and includes sessions tailored to your needs.
- All sessions are 100% confidential.
- The mentors provide honest and impartial feedback on your challenges.
- The mentoring program is free for companies based in DTU Science Park.

A dedicated mentor team just for you

We match you with three mentors with different profiles and competencies based on the challenges you wish to focus on, such as product development, patents, strategy, organisational development, financing, and more. Through conversations and sparring, the mentors help strengthen and develop your business.

Who are the mentors?

The mentors in DeepTech Mentoring are experienced experts, former CEOs, serial entrepreneurs, investors, specialists, business developers, product experts, and more. All mentors are certified and work voluntarily.

▶ *With the help of the mentors, we have now got structure in the organization, and we have grown 60% in a year and a half. The sparring I have received has been an enormous help.*

Staffed receptions

We offer reception services in the multi-tenant buildings in Lyngby and Hørsholm. Our skilled receptionists welcome your guests and ensure visitors get a strong first impression of a professional workplace. They are also happy to receive and send parcels on your behalf

Lunch scheme

We have three canteens in Hørsholm and one in Lyngby. Here, you can sign up for the lunch scheme provided by Cheval Blanc Kantiner and enjoy a delicious buffet with hot and cold dishes that focus on health and organic ingredients.

Meeting catering

Cheval Blanc Kantiner is also happy to cater for your meetings and events. This could include snacks, breakfast, or an afternoon cake and coffee.

Fruit scheme

If you want to join our fruit scheme, you will receive a fruit basket with a fresh, seasonal, organic fruit selection. We handle all the practicalities, from ordering to delivery to the right departments.

Take-away

It is also possible to pick up take-away from the canteens with dishes from the daily buffet.
