

# RENT A 100% ELECTRIC SHAREABLE CAR AT DTU'S PARKING SPOT

## Drive easily from A to B Download the app [here](#)

With GreenMobility, you can book and unlock over a thousand electric cars in Greater Copenhagen through the app.

Find a car in the app for commuting, errands, visiting clients, airport trips, or daily shopping.

Park at The Mobility Hub behind the bus stop or at any free public parking spot at DTU's parking lot.

Drive per minute, hour, day or week.

## VOUCHER CODES

### New user?

Fill in the code **DTU30** when signing up and get 30 minutes of driving for free.

### Already a user?

Fill in the code **DTUTIME** in the app, and get a 1 hour package incl. 150 km for DKK 180.

## How it works:

### Book

The app will show you the nearest available car. You can easily reserve it.

### Drive

Our cars are 100% electric. Start your trip in the app.

### Done

Park the car anywhere within the zone or make a stop-over where you want. End the trip in the app.
